

Village of Crooksville
Council Workshop Meeting
April 8, 2024

The meeting is called to order with the following Council Members present: Mr. Hampton, Mr. Locke, Mr. Loomis, Ms. Smith and Mr. Walters. Mayor Mohler and Mr. Redfern were absent. Lacey Tumblin and Courtney Edwards were also present.

First up on the agenda, Mrs. Tumblin passed out some handouts from Jenny LaRue, from the Perry County Health Department. The first was ideas that they would like to do in some areas around Crooksville. The next handout is a list that Ms. Larue had stated that Crooksville had wanted to do. Mrs. Tumblin let her know that she hadn't seen most of the things on this list. She wanted to go over with the Council. The Council stated that they had not seen that list either and that some of the things were even out of corporation limits. The next packet was a packet for planning and progress in Perry County.

Next, the work on the concession stand roof will be started tomorrow, weather permitting. The pool house will be started on when the vents come in. We are still waiting for all the documents from the engineer so they can be submitted to the State Health Department for the baby pool.

Executive Session 121.22 (G)(1) Personnel and 121.22 (G)(3) Litigation.

Out of Executive Session.

Without any further discussion, the meeting is adjourned.
