

Village of Crooksville
Council Workshop Meeting
July 22, 2024

Mayor Mohler calls the meeting to order with the following council members present: Mr. Hampton, Mr. Locke, Mr. Loomis, Mr. Redfern, Ms. Smith and Mr. Walters. Lacey Tumblin and Courtney Edwards were also present.

First up on the agenda, resident Randy Moore was present to discuss his neighbors. He states that his neighbors blare their music at all hours of the night. A man was exposing himself by urinating on their building. He states that they have car parts laying all over the yard and 3-4 vehicles in their yard, they are constantly revving their engines. He feels like his hands are tied. The Sherriff's office smiles at him and tells him there is nothing they can do. He states that he means no disrespect to Chief Alexander and Mr. Taggart. He states they block his driveway and that all of this has been going on since January.

Next, Mrs. Tumblin explained that in order to get Aspen Energy on the ballot, they would have to have a Special Meeting next Monday to have an official vote or to wait until next year. The council agreed to have a Special Meeting.

Next up, Mrs. Tumblin stated that Mayor Mohler had sent her the Reconnecting Communities Grant. Mayor Mohler was thinking possibly the downtown revitalization, and she thought maybe the Industrial Drive bridge sidewalks. She asked if anyone had any more ideas. Mr. Loomis and Mr. Hampton stated that they are not opposed to either of the ones she discussed. Mr. Loomis also stated that they have discussed at one point connecting Buckeye St clear to the park with sidewalks. Mrs. Tumblin stated that they have until September 30th. Mr. Redfern stated that he believes we should use it for the Downtown Revitalization and add the sidewalk to it.

Next, Mrs. Tumblin stated that Mr. Willet was supposed to start on the Beaumont Building but the materials didn't come in time so they should be starting soon.

Mrs. Tumblin stated there is no update on the baby pool yet.
