There is a Cyber Grant for about \$20,000. She has been working on that to get the VIP Software for the water billing office. The valve exerciser has been ordered, and the Service Department is very thankful this was approved.

The Policy and Procedure Handbook needs to be updated. She asked if anyone needed a copy to let her know and she can get it for them.

Mr. Redfern asked how the paving is going. He stated what they have done before has been good. Mrs. Tumblin stated that Mayor Mohler had asked that the brick in front of the Snack Bar be taken up and the guys have done that and in the next couple of weeks they will be getting that paving done.
