Next up, Jennifer Perrian was present to discuss having a Bluegrass Event at the Village Park next year. It would be a family-oriented festival such as vendors, food, live entertainment, etc. She would like to help the community that she lives in. She would like to have it between August-October 2025. The Council all agreed they would not have a problem with it. Mrs. Tumblin asked her to get with us and get a date set and then we will officially approve it.

Next, Donny Emmert was present because he is unhappy about having a minimum bill when no one is there. He was not happy with any of the answers and thanked the council and left.

Next up, Mrs. Tumblin wanted to thank the Service Department for finding so many leaks in the last couple of weeks. Last week they found a huge one-inch line leak on N. State St. George Spears let her know that the previous low for pumping per day was 241,000 gallons. Over the weekend, after fixing that line it was down to 165,000 gallons.

Next, Mrs. Tumblin asked about Trick or Treat. The Council agreed Sunday, October 27th from 5:30-7pm.

Next up, Mr. Redfern stated that they had talked before about getting rid of the lockers in the Rec Center. He wanted to know if there was something that could be done to start that process. He stated that there is so much stuff down there to get rid of.
