

**Village of Crooksville**  
**Council Workshop Meeting**  
**Monday, February 24, 2025**

Mayor Mohler calls the meeting to order with the following council members present: Mr. Hampton, Mr. Locke, Mr. Loomis, Mr. Redfern, Ms. Smith and Mr. Walters. Lacey Tumblin and Courtney Edwards were also present.

First up on the agenda, Mrs. Tumblin stated that she received the proposal from Verdantas for the dewatering of Reservoir #3. She passed out the project budget and schedule for the council to review. The council all agrees that this is the best decision. A lot of not good things are happening on the property, and we also would not be able to afford the upkeep.

Up next, Chief Wallace stated that Newton Twp had taken a run for Crooksville because they were already out on a run. During that run they were detecting high levels of carbon monoxide in a patient's blood and called him. Chief Wallace had a crew go back to the woman's house and check it out. They found a couple gas leaks in the furnace. They resident called later after having the issue fixed and wanted to thank the department and everyone involved.

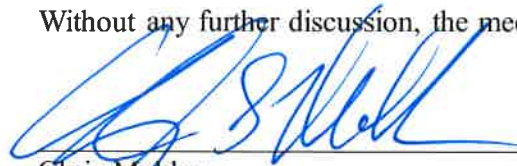

Chief Wallace also stated that they are planning and taking donations for the Easter Egg hunt.

Next, Mrs. Tumblin passed out a proposal for a new door system. It would be for 15 doors. It would include 2 doors for Admin building, 1 for Police Dept, 4 for the Service Garage, 2 for Tim, 4 for the Fire Dept, and 2 for the Rec Center. Chief Wallace states the issues that he has had at the Fire Dept as well. Mrs. Tumblin gave a list of reasons that the new system would benefit the Village and our employees and our equipment...etc. Mayor Mohler states that is a lot of money. Mr. Hampton and Mr. Loomis state they would be on board with it. Mrs. Tumblin asked if everyone would be ok taking it to a vote at the next meeting. The council agreed.

The council goes into Executive session ORC 121.22 G2 Real Estate.

The council is out of Executive session.

Without any further discussion, the meeting is adjourned.
