

Village of Crooksville
Council Workshop Meeting
October 27, 2025

Mayor Mohler calls the meeting to order with the following council members present: Mr. Hampton, Mr. Locke, Mr. Loomis, Mr. Redfern, and Ms. Smith. Mr. Walters was absent. Lacey Tumblin and Courtney Edwards were also present.

First up on the agenda, Mrs. Tumblin stated they had discussed previously about, moving forward, and changing the Trick or Treat Day to the last Sunday in October and leave it at that. The council all agreed that it was fine.

Next Mayor Mohler asked how the council would feel about having a Veteran's Day Parade either on or the Saturday before Veterans' Day every year. Mayor Mohler states that he will speak to Dorothy Goebel and possibly the Legion and VFW to see if its something that possibly can be arranged as a yearly event.

Next, Mayor Mohler stated that Shelly Company called today and said that they will start milling Winter St on this Wednesday.

Next up, Mrs. Tumblin stated that we will be doing the Christmas lights and parade on November 25th. Going forward we are setting the date for the Tuesday before Thanksgiving.

Next, Mrs. Tumblin wanted to discuss a little of the "Hit List". She states that the OK Coal quote that the council has in front of them is for the entrance wall coming into the park. The quote is for \$4,489 as of right now for materials only. Its not ideal to start that right now and she is thinking spring.

Mrs. Tumblin passed out a spreadsheet of how much money has been coming in thanks to Trevor Miller with basketball open gym and Molly Lones with the climbing wall.

Mrs. Tumblin states that she would like to continue to be able to add trees at the park.

Next up, there was a brief discussion about the Beaumont being cleaned up for parking and it looks nice.

Mr. Redfern states that one thing he would like to say is that replacing old steel and galvanized lines that should have been done in 2019, needs done. From the old water plant coming towards town. Mrs. Tumblin states that there will be a lot of grants that will be needed because it will be an extremely expensive project.

Mr. Redfern states with The Neighborhood Improvement Program, sidewalk, catch basins and curbs need done in various places and to remove junk vehicles as well.

Next up, Mrs. Tumblin states that we are making progress on things and today we have electricity at the B1 Station.

Mayor Mohler asked if Jan has been working on the Cyber Security. Mrs. Tumblin and Mrs. Edwards state that Jan has it, and they are waiting to see what some of the other villages have in place.

Mr. Redfern also asked if there was any word back from Jan about the Fire Departments new SOP. Mrs. Edwards stated that last week Jan said that she was working on that and hopes to have it next week.

Executive session 121.22 (G)(1) Personnel.

Out of Executive Session.

Without any further discussion, the meeting is adjourned.
