WORKSHOP MEETING

Mrs. Tumblin asked for the unofficial approval for a demo permit for 18 & 18 ½ N. Buckeye St. The council agreed approve and to put it on next week's agenda.

Mr. Redfern stated that there has been some confusion about the Fire and EMS levies. There are several steps that we must go through to have a levy passed. First, there must be a first resolution where the village must agree there is a need. Next, we must request from the auditor is what millage we feel that we need to bring in. Then, a second resolution that we send to the Board of Elections. Then, a legal notice posted. He went on to explain the process that needs to happen.

Without any further discussion, the meeting is adjourned.
