She stated that there would also be a jurisdiction issue.

Police Chief Walters also explained to Council about declaring the 2009 Cruiser surplus because it needs a lot of work done to fix. A gentleman that set the cruisers up wants this specific cruiser. He did approximately \$2,300 worth of work and said that if he got that cruiser, then he would like to have that cruiser and would not charge us for the work he completed. Jan stated that she would try to work something up for this.

Mr. Redfern asked to put on the agenda for the next workshop a discussion for one trash hauler for the Village. He stated that he has a copy of the bid documents for New Lex and they discussed getting one from South Zanesville.

Chief Walters asked Tom if he had discussed with Council about the noxious weeds ordinance. Tom stated that this would be discussed at the next workshop meeting. Tom stated that this was a good one and asked Chief Walters where he got this Ordinance from. Chief Walters stated that he received this from Chief Slack in Roseville.
