**SAFETY:** The EMS would like to get a pay increase by fifty cents, across the board for all employees. They feel that they are losing people because the pay isn't competitive with other local areas such as New Lexington and South Zanesville. The pay for the EMS is based on qualifications, and the pay scale ranges from \$9.00 to \$11.00. Tom recommends that this is discussed at the next Work Shop meeting, due to the fact that it was not on the agenda for this evening. He feels that it should also be based on how long they have stayed employed with the Crooksville EMS Department. This will need to be discussed in further detail on how the pay increase should work.

Council feels that they should go ahead and vote on the fifty cent pay increase for everyone across the board. Motion is made by Mr. Locke, and seconded by Mr. Loomis. Motion carried.
