

**Village of Crooksville**  
**Council Workshop Minutes**  
**July 13, 2020**

Mayor Mohler calls the meeting to order with the following Council Members present; Mr. Rice, Mr. Locke, Mr. Hampton, Ms. Smith, Mr. Allen, and Mr. Loomis. Tom Collins was also present.

First up on the agenda is to discuss the Administration Buildings Landscaping quotes. The quotes came back in around \$3,000. With the possibility of drop of resources in the Income Tax fund, and with it already being late July this seems to be an unnecessary cost at this time.

Next up on the agenda are to get Councils thoughts on moving the playground equipment to the park. It does not get used where it is currently, and would get used a great deal more if we were to be moved. Council all agrees that it would be great if we could move it, as long as moving it would be a possibility without causing any permanent damage to the structure.

Four sets of cornhole boards, and bags have been ordered to be put down at the park. We will need someone who knows the correct measurements to set them when they are delivered. It is also discussed as to whether it would be a good idea to go ahead and measure off the lengths and the widths to have it marked off ahead of time on the tennis court.

The grills that were ordered for the park, were delivered. The decision just needs to be made on where the grills will be placed.

It was discussed on whetherto order an 84" Blue Diamond Skid Steer Mounted Pickup Broom, complete with a gutter brush and 37-gallon water tank assembly for \$12,479.00 from Southeastern Equipment. They also discussed if it were to be purchased if the old Broom truck should be sold. This will be discussed in further detail, and voted on at the next Council Meeting.

Executive Session-ORC 121.22 (G)(1) Personnel Compensation

Out of Executive Session with no decisions made.

With no further discussion Mayor Mohler calls the meeting adjourned.
