

Village of Crooksville

Workshop Minutes

April 12th, 2021

Mayor Mohler calls the meeting to order with the following members present; Mr. Rice, Mr. Locke, Ms. Smith, Mr. Hampton, Mr. Allen, and Mr. Loomis. Tom Collins was also present.

First up was a reminder that there is a construction meeting with Hap Cap Thursday at 1pm to discuss the rec center.

Two quotes were received for the fire alarm system at the rec center. One was Johnson Controls, and the other was Elite. Johnson Controls is who we have currently but Elite they believe will be cheaper.

Next up was the discussion on the baby pool. CDBG Allocations funds may be used to renovate the baby pool. There's \$180,000 for 3 projects. It's recommended that they get a leaking company to come in and find the leak to replace it. With all the recent renovations to the pool, this could be one extra thing.

Council goes into Executive Session for ORC 121.22 (G) (3), to discuss pending litigation.

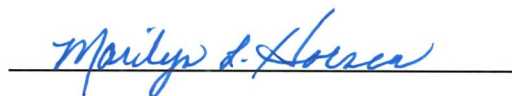

Out of Executive Session.

Without any further discussion, the meeting is adjourned.
