

Village of Crooksville

Workshop Minutes

May 24th, 2021

Mayor Mohler calls the meeting to order with the following members present; Mr. Rice, Mr. Locke, Ms. Smith, Mr. Hampton, Mr. Allen, and Mr. Loomis. Tom Collins was also present.

First up on the agenda is a discussion on the swimming pool. With only a couple lifeguards completely ready, they discuss the status of the pool. Only a few lifeguards are certified and only have few have picked up employee packets. Rebecca Snouffer is here to talk about doing water aerobics at the pool. She would like to have a 1-hour class Sunday evening after the pool closes. Possibly another day through the week. She would split the cost of admission 50/50 between herself and the Village. Council all agrees for this to happen and is excited about the attraction.

Next, Bryan Hartley is here to discuss his concerns with the status of the football field. He did not attend on behalf of the School Board. He is unhappy with Council not discussing it more since meeting back in February. Lee Murphy and Tim Frash also address their concerns. They feel that the school board and council need to meet up and talk more about this. Without having the legal side of things, decisions cannot be made. A lengthy discussion takes place, some of which was relating back to last weeks meeting. They discussed some of the easements they were wanting, such as, the 5ft around the fence for mowing and/or maintenance needed. That is with not owning the property just having the easement/permission to do so.

Mayor Mohler discusses the Memorial Day parade on Monday.

Without any further discussion, the meeting is adjourned.
