

Village of Crooksville

Workshop Minutes

October 11th, 2021

Mayor Mohler calls the meeting to order with the following members present; Mr. Rice, Mr. Locke, Mr. Hampton, Ms. Smith, Mr. Allen, and Mr. Loomis. Tom Collins and Lacey Tumblin were also present.

First up on the agenda, Tom has been in touch with Tim Patterson with Patterson Pools, concerning the design and renovation of the baby pool. It is discussed that everyone would like for it to stay a baby pool. The subframe on the 2005 Equinox has rusted through and beyond repair. We are currently looking at a 2015 Dodge Caravan at State Surplus to replace it. We will sell the Equinox on Gov Deals.

Next up, the Morgan County Reservoir Property will need to be readvertised, this will be the 4th time. It would be nice to get some pictures of the property to post with it. Previously it was up for \$150,000 but can be reduced down to \$145,000. There's a discussion on what to do with the East Main Street Building (Beaumont Building).

Council has received some quotes for new security cameras for the new Fire/EMS Station, Park, and DVR for the Administrative Building. With the DVR, those with the passwords can view the video via their cell phones. This eliminates taking a laptop to the park to download the videos. This would be more high tech and be roughly \$27,000 for everything. There's a discussion on the new flood insurance policy.

Council goes into Executive Session per ORC 121.22 (G) (2) to consider the purchase of property for public purpose.

Out of Executive Session.

Ralph says Covid numbers are starting to go down, we went from being #1 to #10 in the state. The state sent 500 home test Covid kits to give out to people.

Without any further discussion, the meeting is adjourned.

CHRIS MOHLER
Mayor

MARILYN HORNER
Fiscal Officer
