Special Meeting Adjourned.

First up on the agenda, Council looks at the easement Jan has prepared for Cherry Lane. We will need the required easement signatures and a notary will need to be present. There will be five easements for signatures. There were no bids received on the reservoir property.

Council looked at the expenses and total revenue for the swimming pool this year. Overall, it was a lot better this year than the previous years. With changing a few things this year and being short staffed it went a lot better than we thought. Hopefully we'll continue to increase the over the next few years.

Snack Bar owners, Brandon and Vanessa Frash address their concern for their business. An officer has been sitting 100ft from the bar and it is scaring away some customers. They would like to see what could be done. Council discuss it and Chief Alexander will address the problem. Ralph said they have had 35 squad runs since Friday. 75% of that have been Covid related.

Without any further discussion, the meeting is adjourned.
