

Village of Crooksville

Workshop Minutes

November 8th, 2021

Mayor Mohler calls the meeting to order with the following members present; Mr. Rice, Mr. Locke, Mr. Hampton, Ms. Smith, Mr. Allen, and Mr. Loomis. Tom Collins and Lacey Tumblin were also present.

First up on the agenda, one property owner is refusing to sign the easement for Cherry Lane. Tom recommends we proceed with the improvements on the east side of the road which will resolve the issues with Brown and Hutchins. This is the worst section and at this time is impassable to traffic. Everyone can agree with moving forward on that. There has been some Rec Center upgrades, but we are still unsure as to when it will reopen.

Perry County Auditor, Drew Cannon, has agreed to having Lepi Enterprises proceed on a lead and asbestos assessment of the former East School. Brad Bumpus from Lepi stopped in today to let us know he was going to start the assessment work. With the asbestos assessment completed, we will be ready to apply for the Brownsfield funding to raze the building. There's a brief discussion on the Regional Income Tax Agency of Ohio who currently have roughly 300 members that they collect municipal income tax from.

The two dead pine trees at the park have been removed. Southeastern Electric has set two additional poles and a 110-outlet box at the corn hole court for Christmas displays. This would be an ideal time to remove the trees on the dam side of the park pond for future dam repairs. It would be nice to add 2 picnic tables for parents to sit and watch their children play on the playground equipment.

There are people interested in buying the Beaumont Building, it would have to be bided out. It can be listed along with the relisting of the Reservoir property.

We will be starting to put of Christmas lights sometime before Thanksgiving. There were several people there to say thanks and give their appreciation to paving some of the roads in town.

Without any further discussion, the meeting is adjourned.

CHRIS MOHLER
Mayor

MARILYN HORNER
Fiscal Officer
