**PARK & RECREATION:** Pool Manager, Rebecca Snouffer is here to address council and talk about "free day" this Saturday for the Community Celebration Day. With safety being the number one priority here, she has some concerns. Free swim day was just brought to her attention today and there are only 5 lifeguards plus herself that are available to work. Only so many people can be in the pool at once. Snouffer discussed that we could have some help by getting people to be water watchers, someone who is CPR certified and could help keep an eye on the pool without having the ability to pull them out of the water. Council all threw out ideas to try and come up with a solution, such as having so many come in the pool for an hour or two and then leaving for another group to come in. Someone can reach out to EMS/Fire staff and ask for volunteers. Mr. Rice makes the motion to cancel free swim, Mr. Allen seconds.
