

Village of Crooksville

Workshop Minutes

June 27th, 2022

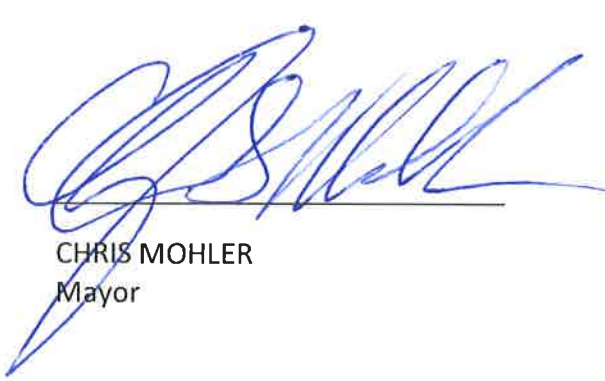

Mayor Mohler calls the meeting to order with the following members present; Mr. Hampton, Mr. Locke, Mr. Loomis, Mr. Redfern, Ms. Smith, and Mr. Walters. Lacey Tumblin and Courtney Edwards were also present.

First up on the agenda, there are 2 EMS applicants here to introduce themselves. Jeremy Gerdau and Brittany Dusenberry. They will be on next week's agenda for approval.

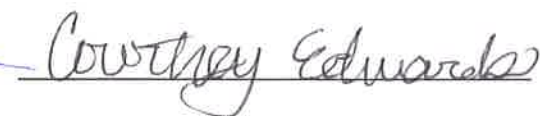

Al Dolezal from RITA is here to refresh us on how everything would work if we decided to go with them. RITA is Regional Income Tax Agency. They have numerous collection programs that could allow for us to increase our tax revenue collection. He compares Crooksville with some other towns that are close in population such as Dennison, Fredericktown, Richwood, and Williamsburg. Council would like to have the first reading to approve RITA at next week's meeting.

Heather Smith will be starting July 11th, and will be approved at next week's meeting. Courtney had her first official day as Fiscal Officer.

Without any further discussion, the meeting is adjourned.
