

**Village of Crooksville**  
**Council Workshop Meeting**  
**December 11, 2023**

Mayor Mohler calls the meeting to order with the following Council members present: Mr. Hampton, Mr. Locke, Mr. Loom is, Mr. Redfern, Ms. Smith and Mr. Walters. Courtney Edwards was also present. Lacey Tumblin was absent.

First up, Mayor Mohler discussed that they would need to have paperwork done in two weeks for the grant from Rural Action- Urban Forestry if they decide to do that. He received the paperwork late Friday. He stated that there is no match needed with this grant. The idea is an urban tree scape. He stated maybe a couple apple trees at the park or behind the rec center.

Next, Mrs. Edwards wanted to know how the council wanted to proceed with Roseville monthly payments. If they wanted to continue with monthly payments or quarterly payments. The council agreed that they were fine in whatever way was easier for Mrs. Edwards to do.

Next up, Mrs. Edwards also received a check for \$2000 from the Complete Streets Policy.

Mrs. Edwards passed out papers where she worked on the debt payments for next year. She stated that two were paid off this year and two will be paid off next year. She also received the invoice from Jan for the Resolution for paving. Mayor Mohler stated that our application is in for next year for S. State St/E. Main St. out to Snell Dr. and S. Buckeye hill to corporation line on Flint Ridge Rd.

Bryan Alexander stated he spoke to an individual interested in working for the Police Department. He wants to know what the pay is before he makes any decisions.

Mr. Redfern stated he had someone call and ask about the houses that had caught fire, one on Winter St. and the other on Main St., wanting to know if they are going to get cleaned up. Ms. Smith stated that Seth Mumford is taking care of and supposed to be tearing down the one on Winter St. this summer. No one really knows anything about the house on E. Main St. yet.

Dyrall Newlon was present and stated that George Spears will be at the firehouse Wednesday to install the new server and system for the door. It is broken again.

Without any further discussion, the meeting is adjourned.
