He does not have an update regarding COVID, but does let Council know that the numbers are steadily rising.

LEGISLATIVE: A motion is needed to grant Kathy Claypool a variance to Ordinance 2235, Regulating Mobil Homes, specifically the 10-year age limit under Design standards and Criteria. Mr. Rice feels like this will only create a problem in the future.

OLD BUSINESS: There was a lengthy discussion regarding the COVID Cares Act money. There have been 5 hand sanitizing/thermometers ordered. 2 bottle filling stations. Touchless faucets, toilets, and sinks. COVID testing is still a work in progress. They are working with the National Guard, and the Health Department on this project. This will not be coming out of our funds and will not be limited to people in the Village of Crooksville. There have been glass counter enclosures ordered and will be coming for the Administrative Assistants office, the Water office, and the Fiscal Officer Assistants office. The Police have ordered additional uniforms, as well as some PPE. HAPCAP has got a lot of money so many people are reaching out to them for help on their utility bills.

NEW BUSINESS: There will be a gentleman coming to a workshop to discuss assets that he feels could be valuable to the Village. He is a personal trainer, works on websites, and Facebook accounts to help out the Rec Center.

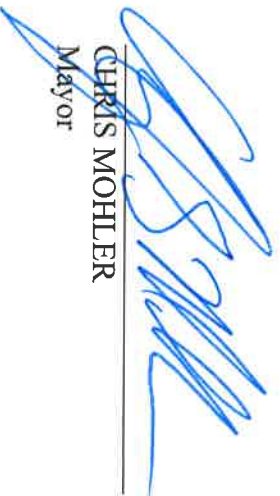

There will be 10:30 a.m. Go to Meeting for the Fire department from now until July to keep everyone informed.

Fred Redfern wanted everyone to know that he did not change anything on the list of streets that he and Tom had decided on when he was still Mayor. He was very surprised of what had, and had not been paved. With the way they had it planned out, there would be 8 streets a year paved. If he had made any changes than there should be signed copies in his old office. Mr. Locke is very unhappy with the results of the paving project.

*VOTE: Mr. Rice-Yes. Mr. Locke-Yes. Mr. Hampton-Yes. Mr. Allen-Yes. Mr. Loomis-Yes. Motion Carried.
