

Village of Crooksville
Council Workshop Meeting

April 27, 2026

Mayor Mohler calls the meeting to order with the following council members present: Mr. Locke, Mr. Loomis, and Ms. Smith. Mr. Hampton, Mr. Redfern, and Ms. McKinney were absent. Lacey Tumblin and Courtney Edwards were also present.

First up on the agenda, Mrs. Tumblin stated that they have been working on the Buckeye St Bridge and AS REQUESTED, there will be a weekly meeting. The first meeting will be Wednesday, April 29th and will be held every Wednesday at 9:00 a.m. moving forward.

Next up, Mrs. Tumblin stated that the copier/scanner here at the office is so old they can no longer get parts for it. She passed out copies of a quote for a new one. We have had it since 2015. It's a little higher than the copier we bought for the Fire Station a couple years ago. The price is a little over \$7000. That includes installation, maintenance, and all toner for the life of the unit. Council agreed that this was a necessary purchase but will vote on it officially next week.

Next, a brief discussion about how good the baby pool is coming along. Everyone states that it looks great. No official date of when it will be completed but is still on track to open with the big pool opens. The guys have also pumped out the big pool in preparation for its opening.

Next up, Mrs. Tumblin gave updates on the B1 and B6 sewer pump stations. They are pretty well leveled out, the demo of both stations has been done, the generators have been moved to the Beaumont or the guy's stations, they will be working on getting the fence up as well as the concrete poured.

Ms. McKinney joined the meeting.

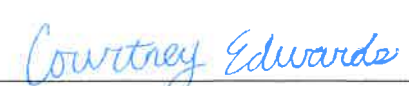

Next, Chief Newlon stated that the old rescue tools, a light bar and utility trailer on govDeals. He also stated we have 2 boats and 2 trailers and don't use them. He thought maybe we could donate the older of the trailers to Roseville since they have allowed us to use their squad so much. They are getting a boat through ODNR and need a trailer. He stated that they got a \$3000 grant for the brush truck. They plan to get new tires for it and whatever is left, they will get random equipment they need.

Executive session ORC 121.22 (G)(1) Personnel.

Out of Executive session.

Without any further discussion, the meeting is adjourned.
